Welcome to Summer 2010!

We are excited for **another great season**. Hopefully, you have been enjoying a lot of time at the club so far. We've been working hard throughout the winter and spring to complete more **enhancements to the property**. A list of these are provided for you in this newsletter. As you will also see, there are many **fun activities and events** planned again this summer.

We also wanted to introduce our **great management team** for this season. **Chas Fortescue** will be joining us as the **Club Manager & Aquatics Director**. He has been managing swim clubs in the area for the past 8 seasons. He was the manager at the Picket Post and Plymar Swim Clubs before joining us this season. He and his wife Kathy have three daughters. Chas grew up in the Blue Bell area and attended St. Helena and Bishop Kenrick. He teaches math at Radnor High School and has coached track, soccer, basketball, and softball for the past 18 years at various schools and local organizations. **Allison Galbally** is returning as our **Assistant Manager**. She graduated from Gwynedd Mercy Academy in 2008, and will be a junior this year at Fordham University in New York where she is majoring in Accounting. Allison loves to travel and has just returned home from a 4-month study abroad program in London, England. This is her 6th summer working at Beachcomber Swim Club.

If you have any questions about things going on at the club or for further membership information, please contact **Chrissy Koch, Membership Director**, at the office (484-680-9606) or by email membership@beachcomberswimclub.org.

Looking forward to meeting you and celebrating summer!

Sincerely,

Special Activities

We have a fun weekly schedule of free children's activities for the summer. Be sure to check out the following:

Sunday 2:00 - 3:00 Smart Art (Some projects may require a \$1-2 material charge.) - Join us weekly for a story - some fiction, non-fiction, heroic tales, and fairy tales. We will read the best part of the story and discuss what it means to you. Then, we will finish with an art project that portrays your interpretation of the genre of the day.

Monday 1:30 - 2:30 Music for Kids - These classes are designed for children ages 1-6 and their parents/caregivers, but children/adults of all ages are welcome to attend and participate! Each week will incorporate a theme - and activities will include singing, dancing, and rhythm instruments. During the summer, the children will also get the opportunity to try larger instruments including drums, guitar, and keyboard. Come ready to move and sing along!

Tuesday 12:00 - 3:00 Arts and Crafts - This activity is offered to children ages 3 (with an adult, if desired) and up. The children will do a variety of craft activities with a wide range of artistic materials.

Wednesday 3:00 - 5:00 Clay for Kids (Lab fee of \$2/class covers clay, glazes & firing) – This activity develops creative skills while learning the basic working of clay and making a variety of sculpture/pottery projects. Projects may take several classes to complete.

Thursday 3:00 - 5:00 Face Painting & Playdough - This activity is for all ages/families. Handmade scented and colorful playdough is distributed to the children along with playdough toys. Art instruction is given to the children so that they can create fun projects to take home. At the same time, Fabulous Faces Face Painting will create whatever face or body design you can think of with professional, water based, hypoallergenic face paint, glitter, and gems. Ages 3 to adult are welcome to participate. Let's see....what do you want to be today?

Beachcomber is a great place to have a party this summer!

It's easy to set up – and you could also arrange food/beverage service with Ray, the Snack Bar manager, from Gidget's Catering.

1. Inform the office that you would like to have a party. Stop in or call.
2. Provide the date, time, party size and contact information.
3. Provide a guest list for the party before the date of the party.
4. We'll keep track of your guests based on your list. Members must be here before guests arrive. Your guests can check in at the gate.
5. Pay for your party at the office. Adult guests are \$10 and children are \$7. Discounts apply for bigger parties: Guest prices drop by \$1 if you have 10-19 people in your party. Guest prices drop by \$2 if you have more than 20.

For the safety/convenience of all members...please remember the club rules. Thank you!
